PREMIUM BARN DOORS

A solid, serious solution to complete your dream home.

Why Choose EL&EL Wood Products Premium Barn Doors?

Each EL&EL Wood Products barn door is built with authentic stile and rail construction by hand. Our barn doors are built solid and authentic, putting them in a league of their own.

Full Sized Mulls

Our barn doors have center/cross mulls that are full thickness making sure that the stile meets flush at the stile and rail joints for a truly custom finish.

Deeper V-Grooves

Our V-Grooves are deeper than the other options. This was decided when designing the doors to accentuate the plank style and create the authentic design that our customers crave.

Separate Panels

Distinct 3/4" edge glued panels. Creates a door that is timeless and beautiful.

Time Proven Beauty,

Created with the care and quality craftsmanship to match their amazing looks, our barn doors are here to stay.

Our residential barn door track hardware collection helps you make the most of your available living space while adding a rustic yet elegant look to your home, studio, or office. Each series is made to the highest standards and able to coordinate with any decor. The Rustic series can be further customized with optional hardware accessories for your individual style and taste (see back cover).

Rustic and Stainless Steel bypass door kits are available, making it possible to hang one door in front of the other, doubling the passage way coverage. Need to cover even more passage space? With a pair of bypass sets you can hang a total of 4 doors, on 2 tracks.
