Prefinished Entry Door Solutions

Painted or Stained Fiberglass Doors

- Metrie EL & EL fiberglass doors available in four grain styles: Smooth, Woodgrain, Fir, Mahogany.
- 4 White variations to match your windows or patio doors, 9 standard stain tints, 12 standard paint & 6 contemporary paint colors to choose from.
- Touch-up kit included with every order
- 5-Year limited warranty
- Split finishes available
- Custom colors available

Our signature finish is beautiful, stylish, and durable. Making your entry system easily the highlight of your home improvement. Our shop uses the best materials and technology to ensure that the color is consistent – today, tomorrow, and for years to come.

Prefinish as little as 1 door, or an entire housing tract. Our speciality is making the best fiberglass entry units in the market today. Each unit also has the option to have color matched trimboard or stucco moulding to surround your unit.
