

**WARNING**

Drilling, sawing, sanding or machining wood products can expose you to wood dust, a substance known to the State of California to cause cancer.

This product (excluding Lumber) can expose you to chemicals including methanol, which is known to the State of California to cause birth defects or other reproductive harm. Avoid inhaling dust generated from wood products or use a dust mask or other safeguards for personal protection. For more information, go to www.P65Warnings.ca.gov
